

Liliya Elenkova is fully employed as project manager in EYCA Bulgaria, which gives her the opportunity to develop and manage more than 10 projects at national and EU level (and beyond) with different scopes. She is responsible for the external cooperation and partnership with other organizations, which results in numerous opportunities for young people to explore and travel across Europe following the Erasmus+ objectives.

She was actively engaged in EYCA activities as a participant and speakers. Moreover, in 2017 NYCA hosts in Varna, Bulgaria, the *Promotional Seminar of the PA on Youth Mobility through the European Youth Card*. This event was part of the 2017 program of activities of the *PA on Youth Mobility through the European Youth Card* and it was co-organized by the CoE and the European Youth Card Association (EYCA) in co-operation with the National Youth Card Association Bulgaria /NYCA/ and Varna – European Youth Capital Association /Varna – EYC/.

She served as a vice – president and president of the National Youth Forum Bulgaria for 4 years, because of it she possesses deep knowledge for the youth activism and youth sector in Bulgaria. As well, she is very familiar with the Structured dialogue process both at national and EU level.

She has extended her competences in the field of youth policy at national and EU level as a PhD candidate in Sofia University, Public administration department, with a forthcoming public defence.

She has been consulting as an ECVET expert for the past 6 years. The ECVET is a general instrument of the overall strategic European framework for cooperation in the field of vocational education and training. ECVET is a system for accumulation and transfer of credits acquired through vocational education and

training (VET). The principles of ECVET support the recognition and validation of learning outcomes gained through non – formal and informal learning.

She is an archer with significant achievements at national level.
