

## **In EYCA**

From 2011 I work in the Catalan Youth Agency (ACJ) – public law enterprise that manages the Youth Card in Catalonia and also the youth policies – as the director of the international relations office and cooperation projects. Currently the ACJ it's represented at EYCA by the full member INJUVE (Spanish National Youth Institute)

I have been participating in EYCA activities since 2011. I have been attending meetings and seminars showing good practices of Youth Card in Catalonia. I had also been present in some Group 1 meetings.

I had been a Free member board of EYCA from 2017. I have participated in several activities of EYCA (a part of board meetings, MI Seminars,...)
